

IP22 LED

KURT C utilises a simplistic 3 part design to create an efficient and cost effective luminaire. A screw in reflector eliminates parts and streamlines assembly. The reflector also acts as the downlight trim giving a truly minimal look once installed.

SPECIFICATIONS

COLOUR
WHITE / BLACK
LAMP
LUMINUS XNOVA LED ENGINE
OUTPUT
8.7W / 180mA / 594lm
12.3W / 250mA / 784lm
